MI School Data

Tour of the MISchoolData Dashboard

Obtain a MiSchoolData Login and Password. Record them in a secure location.

Login to the MISchoolData portal to access local information about your school/district.

Review the Main Menus of MISchoolData. Record a brief "take -away" about each menu:

Early Childhood	

Kindergarten-12th Grade
    *Dashboard & School Report Card
    *Student Counts
    *Student Testing
    *Postsecondary Outcomes
    *Career and Technical Education
    *Staffing Information
    *Financial Information	

Postsecondary	
Workforce	
Special Education/Early On	
Other	

Visit the MISchoolData K-12 Dashboard and view/record the Statewide results:

Student Outcomes	Accountability	Culture of Learning	Value for Money	Salary Data

Move across the top Tabs and record the types of information available for each:

Dashboard	District Best Practices	School Report Card	TTB Ranking

Edit Report   Use the "Edit Report" button to change inquiry settings.   Select your local district and record the District name here: _____

For the current year, record the following scores to compare statewide results and your local district.

CURRENT YEAR	Third Grade Reading Proficiency	Students Proficient on MME	4 Year Graduation Rate	Dropout Rate
State				
Your District				

Where are the Data4Student Success dynamic inquiry tools?

Where is the Annual Education Report?

Consider how your district scores compare to the State scores. What are the strengths and weaknesses of your local performance?
